To Edit your work for Mechanics use CHOPS:
(Do this FIRST paper draft, then make edits on your computer, you will see the errors better!)

C-Capitals: Put a box around capitals:

- ❏ Do I have a capital at the start of each sentence?

- ❏ Do I have a capital for each proper nouns- names of people and places?

H-Handwriting:

- ❏ Is my handwriting neat? (Can I read what I wrote?)

O-Oral reading: (read paragraph out loud to yourself):

- ❏ Are all my sentences complete?

P-Punctuation:

- ❏ Do I have a period at the end of each sentence?

- ❏ Do I have a comma after each transition word?

S- Spelling:

- ❏ Have I spell checked my work on the computer? (If a word is still underlined after doing this, why might this be? You can ask a parent if you aren't sure why.)

- ❏ Does each word say what I want it to?
